# SUMMER CONCERT

Sunday 7<sup>th</sup> July  
ST PETER'S CHURCH, OUNDLE

# PROGRAMME

[www.rustyplayersoundle.org.uk](http://www.rustyplayersoundle.org.uk)

**The Rusty Players of Oundle (RPO)** is a 50-strong orchestra of spirited instrumentalists, made up of those who have resumed playing in their later years after a mid-life musical break, those playing a second instrument, or some that just started learning music later in life. Our members enjoy playing in an unpressurised environment where camaraderie and musical development go hand in hand.

Well, Summer for the Rusties has come around again (I think..?), and we would like to thank you all for your support over the past year. Some more rusty musicians have come to visit, decided that it was for them and stayed, and so we are around fifty in number and a wide range of instruments and standards.

The music we are playing this afternoon showcases the full orchestra, but also the Rusty Strings and the Rusty Bangers & Blowers, which are ensembles in their own right.

We always have room for more players, so as long as the instrument works and you can read some music, please feel free to be brave and come along for a visit. We'd love to see you as we prepare for all things Christmassy! Details are on the website.

**David Milsted – Musical Director**

On behalf of the Committee and The Rusty Players of Oundle I would like to thank all at St Peter's for welcoming us back once again. Thank you to our long-suffering maestro, Mr Milsted, who continues to bring his inspiration, enthusiasm and talent to the group on alternate Monday evenings, to the Committee, without whom none of this would be possible and to Kevin and Eleanor who make the teas so special.

Lastly to you, our audience. We thank you for your ongoing support and hope to see you back here, December 7th for our next performance, the Rusty Christmas Concert.
